Subject: Community Communication Strategy

Dear Ms Mason

I refer to the Community Communication Strategy (CCS) submitted in accordance with Conditions C11 to C14 of the development consent for the Barangaroo Central Early Works – Hickson Road Interface (SSD-39587022).

I note the CCS:

- identifies the stakeholders of the project and methods that would be used to keep them updated on the project
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the CCS, prepared by Falkiner & Associates (Revision 3, dated 6 February 2026).

You are reminded that if there are any inconsistencies between the CCS and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Thomas Piovesan on (02) 9274 6158.

Yours sincerely
